- *U. S. Air Force:* Black crewneck T-shirt.
- *U. S. Navy:* Either NATO brown or Marine green crewneck T-shirt.
- *U. S. Marine Corps:* Marine green crewneck T-shirt.
- *U. S. Coast Guard:* NATO brown crewneck T-shirt.

Other Information and Instructions

Beehive Clothing produces garments in the NATO approved colors only. Currently the available colors are brown or desert sand. Individuals requiring a color other than the NATO approved color should purchase appropriately colored t-shirts from military clothing stores and send them to Distribution Services to be marked.

T-shirts sent to be marked must meet the following requirements:

- Military insignia such as name and branch of service are allowed. No other logos are allowed.
- T-shirts with pockets are not allowed.

Marks will be sewn into white T-shirts and T-shirts for police and fire fighters. Marks will only be silk-screened on the inside of the colored T-shirts for military personnel.

Male garment bottoms are available in the NATO approved color. Females may wear the male bottoms if they want to wear colored bottoms. The only bottoms that may be sent in to be marked are ankle-length bottoms required for extreme cold weather conditions.

Ordering Marks in Military Garments

What you need to know when ordering marks in military garments:

- Only endowed members of the Church may order marks in military garments. You will need to provide your date of birth, confirmation date, and membership record number (available on your temple recommend or from your ward clerk) for the order to be approved.
- Guidelines for military garments are on the other side of this sheet. Please review them.
- Marks will be either sewn or silk screened, depending on the color of the shirt. The customer cannot specify the method of marking.
- Items to be marked cost \$1.50 per piece.
